

## Organic Salvia Miltiorrhiza Extract Powder

### What is Organic Salvia Miltiorrhiza Extract Powder?

Organic Salvia Miltiorrhiza Extract Powder is derived from the root of the *Salvia miltiorrhiza* plant, commonly known as Red Sage or Danshen. This herb has a long history of use in traditional Chinese medicine for promoting cardiovascular health, improving blood circulation, and providing antioxidant benefits. Our organic extract powder is made from premium, sustainably grown *Salvia miltiorrhiza*, free from pesticides and harmful chemicals. It is rich in bioactive compounds such as tanshinones and salvianolic acids, which contribute to its powerful health benefits. The powder is a convenient form for incorporation into health supplements, herbal formulations, or functional foods.

### Production Process:

- **Sourcing:** We carefully select organic *Salvia miltiorrhiza* plants grown without the use of synthetic fertilizers, pesticides, or herbicides.
- **Harvesting:** The roots of the plants are harvested at peak maturity to ensure optimal potency.
- **Extraction:** The roots undergo a gentle extraction process using water or alcohol to obtain the active compounds, preserving their medicinal qualities.
- **Concentration:** The extract is concentrated to provide a potent powder, preserving the beneficial elements of the herb.
- **Drying and Milling:** After extraction, the product is dried and finely milled into a fine powder for ease of use.
- **Quality Control:** Every batch is tested for active ingredient content, safety, and purity.

### Key Features:

- **100% Organic:** No synthetic pesticides, fertilizers, or chemicals.
- **High in Bioactive Compounds:** Contains high levels of tanshinones and salvianolic acids, known for their cardiovascular, anti-inflammatory, and antioxidant properties.
- **Antioxidant-Rich:** Supports the body's defense against oxidative stress.
- **Cardiovascular Support:** Commonly used to promote healthy blood circulation and support heart health.
- **Versatile Applications:** Can be used in supplements, teas, or herbal formulations.
- **Free from Additives:** Pure, clean product with no fillers or additives.

### Specifications:

Parameter	Limit/Description
Appearance	Fine, light brown to beige powder
Tanshinone Content	≥ 5% (Tanshinone I, II)
Salvianolic Acids	≥ 10% (Salvianolic acid B)
Moisture Content	≤ 8%

Parameter	Limit/Description
<b>Lead (Pb)</b>	≤ 0.5 ppm
<b>Arsenic (As)</b>	≤ 0.3 ppm
<b>Cadmium (Cd)</b>	≤ 0.2 ppm
<b>Mercury (Hg)</b>	≤ 0.1 ppm
<b>Microbiological Limit</b>	Total Plate Count ≤ 10,000 CFU/g
<b>E. coli</b>	Absent
<b>Salmonella</b>	Absent
<b>Packaging</b>	25 kg bags, or customized packaging options

## Applications:

### • Health Supplements:

- Widely used in dietary supplements aimed at improving cardiovascular health, circulation, and overall vitality.
- Often found in formulations targeting anti-inflammatory and antioxidant benefits.

### • Herbal Teas:

- Can be blended into herbal tea blends for a soothing, health-promoting drink.
- Commonly combined with other adaptogens and herbs for synergy.

### • Functional Foods:

- Incorporate into functional foods like energy bars, smoothies, or beverages for added health benefits.
- Can be used in capsule form for easy consumption in supplement routines.

### • Traditional Medicine:

- Used in traditional medicine as an herbal remedy to support blood flow, heart health, and liver function.

## Why Choose Our Organic Salvia Miltiorrhiza Extract Powder?

- **Premium Quality:** Sourced from the best organic farms, free from harmful chemicals and pesticides.
- **High Potency:** With guaranteed levels of active compounds, such as tanshinones and salvianolic acids, ensuring maximum efficacy.
- **Multi-Purpose Use:** Versatile in its application, ideal for use in supplements, teas, and functional foods.
- **Sustainable and Ethical:** We prioritize environmental sustainability and ethical sourcing practices.
- **Comprehensive Testing:** Each batch is rigorously tested for purity, potency, and safety, ensuring you receive a high-quality product.
