

## Organic Sea Buckthorn Fruit Oil

Organic Sea Buckthorn Fruit(berry) is grown in Tibet and Mongolia, China. Organic Sea Buckthorn Fruit Oil is extracted by supercritical CO2 extraction. It is characterized by high purity, stable quality, and non-pollution. These berries are said to be the single highest source of Vitamin C, Vitamin E, unsaturated fatty acids, essential amino acids, and beta-carotene. Thus Organic Sea buckthorn Fruit Oil contains more than 190 nutrients including essential fatty acids like the rare palmitoleic acid (Omega 7), carotenoids, flavonoids, superoxide dismutase, tocopherols, phytosterols, Vitamins A, C, E, B1, B2, K, P, and trace elements. Content of up to 80%, scientific research shows that: unsaturated fatty acid is an essential emulsifier, it may be dissolved in the blood LDL cholesterol into tiny particles which are then absorbed by the body, thus preventing cholesterol in the blood vessel wall due to arteriosclerosis caused by the deposition, so taking sea buckthorn oil can prevent coronary heart disease caused by atherosclerosis, angina, myocardial ischemia, myocardial infarction, arrhythmia,

cerebral thrombosis, cerebral infarction and other ischemic heart and cerebrovascular diseases.
